SUMMARY

With over sixteen years of hands on experience in graphic and web design, I bring a passion for creativity and a keen eye for detail to every project I undertake. My background includes owning a business, which has honed my ability to effectively communicate and collaborate with clients, ensuring their needs are not only met but exceeded. This unique blend of design experience and client interaction enables me to deliver compelling visual solutions that resonate with target audiences while meeting business objectives. WORK EXPERIENCE

August 2020 - Current

Made To Order Graphics

Business Owner / Graphic Designer / Web Developer Spencerville, Ohio

As the founder of "Made To Order Graphics," my entrepreneurial journey revolved around delivering exceptional design services, specializing in a wide array of products such as banners, decals, and wraps. This experience has equipped me with a diverse skill set that I am eager to leverage in supporting your business endeavors. From proficient project management, encompassing all stages from inception to completion, to adept sales strategies, design expertise, and hands-on installation proficiency, I bring a wealth of knowledge gained through firsthand business ownership to contribute to your success.

March 2018 - August 2020

The Cheap Sign Company

Graphic Designer / Graphic Installer / Printer Technician Lima, Ohio

Initially hired as a part-time designer at The Cheap Sign Company, I quickly transitioned to a full-time role after just one week. Over the following three months, I focused on crafting compelling designs for banners and billboards while also engaging directly with clients. Recognizing my skills and dedication, I was promoted to the role of "Electronic Message Center and Electric Sign Production Manager." In this capacity, I collaborated closely with suppliers to deliver large electronic displays, overseeing the design process from concept to installation. My responsibilities included designing enclosures for message centers and providing guidance to installers to ensure the safe and effective placement of signs. This role encompasses all aspects of my expertise, allowing me to contribute to the creation of impactful signage solutions.

February 2017 - March 2018

Heather Marie Photography

Graphic Designer / Photo Editor Delphos, Ohio

During my time at Heather Marie Photography, I served as a photo editor, primarily utilizing Photoshop to bring Heather's vision to life. This role provided me with invaluable experience in the graphic design field, where I focused on enhancing images to meet both Heather's artistic standards and client expectations. Through this position, I cultivated my creativity and problem-solving abilities, ensuring that each picture fulfilled its intended purpose seamlessly. Working alongside Heather, I expanded my skill set as a graphic designer, further enriching my capabilities in delivering exceptional visual outcomes.
